Roundtable

In keeping with the Risk Management Association New York Chapter's mandate of supporting ongoing discussions and idea sharing between our members, we are pleased to announce an interactive virtual networking session for emerging risk professionals.

We encourage emerging risk professionals to join us on Thursday, August 6th from 5:00pm to 6:00pm for a virtual networking session, with a subset of the RMA NY Board of Governors, to discuss a selection of pertinent topics in the post-COVID landscape. Attendees will rotate between breakout rooms with 4-5 people in each room. Every 10-15 minutes the breakout rooms will be shuffled and attendees will be placed in a new room with a different board member and additional attendees.

Registration is limited to the first 25 registrants.

To view a list of the current RMA NY Board of Governors, please click [HERE](#). At least 1 board member will be in each breakout room throughout the session.
