Our inaugural Emerging Bankers' Conference at the [Federal Reserve Bank of Dallas](#) (Houston Branch) was a great success today. We had well over 100 combined university students and young professionals in the commercial banking industry in attendance. This event was the brainchild of [RMA Gulf Coast Chapter](#) Board member [Joanie McFarland](#).

Our Young Professionals' Committee, consisting of [Ogadi Fields, MBA](#), [Katie Cole](#), [Dakota Mills](#), [Christopher Weisberg](#) and [Allison Nettleship](#) did a masterful job in planning and executing this event. Our academic committee worked with our YP group, putting in a tremendous amount of work over the past 2 years to bring this event from idea to reality.

Well done!!

What an amazing experience our first Emerging Bankers' Conference was last week. The interactions and connections that developed opened doors to opportunities. We are already looking forward to next year. [#networking](#)
