## 2024 NON-CONTRACTOR (General) DEFINITIONS

- 1-3** Fill in this information clearly and completely. Do not use unrecognizable abbreviations. Show the correct zip code.
- 4** Identify the firm for which you are submitting data, including its state and zip code. You may use the actual name of the firm, but to ensure complete confidentiality, RMA prefers that you use a code devised by your bank.
- 5** Check (☐) one box to indicate the firm's legal form of organization.
- 6** List the firm's primary product or service. An agency report is usually a good source for this information.
- 7** Enter your RMA chapter number. This number and your bank's RMA member number (**8**) must be consistent on all the forms submitted by your bank.
- 8** Your bank's RMA number.
- 9** Check (☐) the appropriate box to indicate the period into which the firm's fiscal year-end falls:
  - April 1, 2023 to September 30, 2023      check ☐ **1**
  - October 1, 2023 to March 31, 2024      check ☐ **2**
- 10** The SIC or NAICS number must be entered on all forms.
- 11** Check the appropriate box for which you are supplying data: U = Unqualified; R = Reviewed; C = Compiled; T = Tax Return; O = Other.
- 12** All Cash, Marketable Securities, and other near-cash items. Exclude Sinking Funds.
- 13** All accounts from trade, net of allowance for doubtful accounts.
- 14** Anything constituting Inventory for the firm in question.
- 15** Any other Current Assets. Do not show Prepaid Items here.
- 16** All property, plant, leasehold improvements and equipment, net of accumulated depreciation or depletion.
- 17** Intangible Assets, including goodwill, trademarks, patents, catalogs, brands, copyrights, formulas, franchises, and mailing lists, net of accumulated amortization.
- 18** Prepaid Items and any other Noncurrent Assets.

- 30** Gross Sales, net of Returns and Discounts allowed, if any.
- 31** Net Sales (**30**) minus Cost of Sales. If, because of its nature, a firm does not have a Cost of Sales figure, enter the Net Sales figure again on **31**. Reclassify any miscellaneous expense items that may have been shown in Cost of Sales.
- 32** Gross Profit (**31**) minus Operating Expenses (including all Selling, General & Administrative Expenses and Depreciation). Do not include Interest Expense here.
- 33** This figure may differ from Operating Profit because of miscellaneous Other Income and Expenses (net). This includes such items as Interest Expense, Miscellaneous Expenses not included in General & Administrative Expenses, netted against recoveries, Interest Income, Dividends Received, and Miscellaneous Income. Enter only the Earnings Before Taxes figure. RMA will calculate the Other Income and Expenses (net) figure.

- 34** For corporations only (excluding Subchapter S Corporations), do one of the following:
- a) Enter the actual tax, if you know it, on **34**.
  - b) Enter "0" (the figure zero) on **34** if you know that no taxes were owed.
  - c) Enter a figure (in parentheses) on **34** if there was a net tax credit.
  - d) Enter "N/A" on **34** if you know that taxes were paid, but you do not know the amount. In other words, do not estimate.

Itemized Expense Data: 35 through 37 are for itemizing annual expense data that are included in the Income Data section. Do not leave this section blank. If the expense was zero (actual or through rounding), please indicate this by entering a "0." If the figure is unknown, enter "N/A." USE ANNUAL EXPENSES ONLY.

- 35** The sum of all such noncash expenses incurred during the year covered by the statement. USE ANNUAL EXPENSES ONLY, not accumulated totals from the balance sheet.
